ATHLETIC PROGRAM

Handbook

The CRUSADERS...Striving to be more Christ-like in all that we do.

"The advancement of the Gospel mission of Catholic education is the best reason for athletic programs. Athletic programs that successfully integrate the Gospel message into athletics produce individuals who are faith-filled, have respect for others, value human life, and are willing to sacrifice for those in need."

PARTICIPATION IS A PRIVILEGE

Playing sports is a privilege rather than a right. Athletic program administrators have a duty to hold athletes to personal, academic, and disciplinary standards. Since the athlete represents our parish, every effort will be taken to ensure that student athletes are worthy representatives; those who fail to meet academic or disciplinary expectations will not be allowed to play sports, at least until the prescribed penalty or academic improvement has taken place.

RESERVATION OF RIGHT TO AMEND

The school reserves the right to revise the policies and procedures contained within this handbook.

Dear Parents and Students:

Just as the school and Religious Education program are ministries of the parish, so too the athletic program is a ministry of our parish. It is part of a whole and not a stand-alone piece. As with all parish ministries, our mission is to grow in the Catholic teachings and the living of our faith--yes, even through athletics!

All students, parents, and coaches must "buy into" our parish philosophy and procedures (printed in this handbook) as well as the larger parochial league policies.

OURS IS A PARTICIPATION BASED ATHLETIC PROGRAM. At the elementary school age level (through eighth grade) we stress skill development and participation over competition. If competition is "your thing" then our program is not for you.

Emphasis is placed on Catholic values, teamwork, honesty, cooperation, self-sacrifice, dedication, obedience, hard work, goal setting, respect, self-discipline and mutual encouragement. All of these are more important than winning!

Parent volunteerism is necessary for our athletic program to be successful. Our athletic program functions through parent volunteerism. Please fulfill your volunteer commitment if your child is involved in our athletic program.

Please take the time to read this handbook--it's your responsibility; by registering in our athletic program you agree to abide by these policies and procedures.

Our program is self-policing; that is, we depend on our parents to provide us with feedback on whether our volunteer coaches and parents are following these policies and procedures. Please communicate your concerns to our athletic director or to me.

Most importantly, keep our athletic program, the coaches and players and spectators, in your prayers. Ask God to send His Spirit to guide our participants to be appropriate Catholic role models to others while enjoying the social opportunities athletics offers.

Sincerely yours,

Anthony T. Smerko
Principal

2. Coaches must evaluate officials using the appropriate form. Coaches must evaluate the officials of each game regardless whether the evaluation is positive or negative. Forms are to be forwarded to the Athletic Director, who will in turn forward necessary forms to the Principal. The Principal will forward forms to the scheduler.
3. It is the duty of the officials to control games. Coaches are responsible for teaching players to respect the calls of the official.

10. In **basketball**, if a school is big enough to field two teams. Then they are to have multiple 8th grade teams at the varsity level. If there are more 8th graders than can fit on one team, but not enough for 2 teams, then the remaining 8th graders should be distributed to the 7th grade/JV teams as long as the number of 8th graders does not exceed the number of 7th graders.
13. Mercy Rule: If a team is 25 points ahead at the beginning of the 4th quarter, the clock will continue to run out until the end of the quarter even though the score changes. Official time outs will continue.
18. There will be a no press rule for 5th grade boys and girls **basketball** teams.
23. In **soccer**, at least at the JV level, the teams will play with the number of players they have. A team should not be penalized because another team is short of players. Coaches may mutually agree to play with fewer players.

Parish Athletic Department Philosophy

The Athletic Department of Holy Family Parish is sponsored by Holy Family Parish and is to reflect the Catholic faith and the faith values of Holy Family Parish and of the Roman Catholic Church. These faith values will be reflected in decisions we make, in the approaches that we take to the children in our program and in everything about our Athletic Program as well as every other area of our parish life.

Although the Athletic Program is open to all children of Holy Family Parish, both those in our religious education program and those in our parish grade school, our history of the program shows that for the most part, they will be children from our parish grade school. Our Athletic Program is regarded as an extension of our grade school and religious education program -- that is, the values and philosophy that is conveyed by the coaches and staff of the program must be seen as a continuation of, a furthering of what our children are taught by way of Catholic Christian values in our school and religious education program.

The Athletic Program of Holy Family Parish exists in its own right and is not seen simply as the "feeder program" or a preparatory program for any other school or system in our area.

All children should play. Each sport shall have a defined minimum participation time, such as number of quarters, number of innings, etc.

All children who go out for a team should be able to find a place on the team. No one should be denied a place except for serious health reasons.

The number of games and number of practices per season should be carefully monitored so that our grade school children also have significant time to be with their families. Practice times should also be monitored closely so that our young grade school children are home on school nights at an appropriate hour to get adequate rest for the next day of school.

Values of Christian sportsmanship should be reflected at all times within our program.

STUDENT REQUIREMENTS FOR PARTICIPATION

***ACADEMIC:** HFCS students may participate as long as they maintain passing grades in all subjects.

Religious Education (CCD) students must maintain 80% attendance to all classes throughout the year.

The principal and/or Religious Education Director shall consider exceptions on an individual basis.

***ATTENDANCE:** A student must be in attendance the entire day in order to be eligible for any practices, games or tournaments that day.

***BEHAVIOR:** HFCS students remain eligible as long as their cumulative demerits remain at or below 15.

Religious Education students must exhibit appropriate behavior during class.

The principal and/or Religious Education Director shall consider exceptions on an individual basis.

***ELIGIBILITY:** All athletic program participants must be students currently enrolled and actively participating in either Holy Family Catholic School (HFCS) or the Parish Religious Education Program (CCD).

***INSURANCE:** Each student who participates in the Parish Athletic Program is required to be covered by a health insurance plan, either a supplemental plan or as a dependent on a parent's plan.

***PHYSICAL EXAMINATION:** Participants must submit a sports physical issued by a licensed medical doctor for the current school year. The physical must be on file in the school office prior to the first practice, game or tournament. (Fifth grade physicals are acceptable as long as the physician addresses the athletic participation question).

EACH OF THESE REQUIREMENTS IS DEFINED IN DETAIL ON THE FOLLOWING PAGES.

ATHLETIC ADVISORY COMMITTEE

The Committee's purpose is to be an advisory policy/procedure-recommending body dealing with policy/procedures for the athletic program in accordance with the pastor's defined athletic program philosophy. The committee also serves as a sounding board for problems/issues within the athletic program. The committee periodically meets with the principal and/or athletic director on an as needed basis.

CANCELLATIONS

When school is closed due to inclement weather (announcement will be on WROK radio and will be similar to "Boylan Catholic High School and Rockford Area Catholic Elementary Schools are closed") formally **scheduled evening athletic events will also be canceled.**

The school and athletic department answering machines will carry a message conveying this information in the event of school closure.

COMMUNICATION PROCESS

- A. Parents, coaches and athletes may identify a problem or area of concern by using the communication process form available from the school office and/or coaches.
- B. Complete the form and return to the school office, to the attention of the Athletic Director.
- C. The Athletic Director and/or Principal will either meet for clarification purposes or bring the matter before the Athletic Advisory committee for discussion and recommendation.
- D. The concerned parties will be informed of any rulings.

CORRESPONDENCE

- A. All correspondence will be prepared and distributed by the Athletic Department. The intent is to have access to all communications made for athletics, both past and present.
- B. Correspondence includes, but is not limited to, parish athletic activities, general information concerning the parish athletic ministry, golf playday, camps, etc.

ELIGIBILITY: ADMINISTRATIVE

All athletic program participants must be students currently enrolled and actively participating in either Holy Family School or the Parish Religious Education program. A student who enrolls in RE solely for the purpose of participating in a sport, and drops out at the conclusion of that sport, shall not be able to participate in that activity the following year.

All school account balances must be current, yearly health exam current (5th grade school exam is also acceptable for athletic exam--completely filled out by physician), athletic releases signed.

ELIGIBILITY: ACADEMIC

- A. Students must maintain passing grades, a "D" average in each subject. The "D" average refers to the grade average for the grading period, not just the week of eligibility notice.
- B. Each Monday morning the 5th thru 8th teachers submit to the administrative assistant names of students who have either a "D" average or are failing. The grade is a cumulative grade in each subject, not just for the grades earned for the week.
- C. An eligibility warning will be issued the week before a student becomes ineligible to participate. This warning will be issued even if the student is earning a failing average in a subject. A warning week must always precede a week of ineligibility. This warning notice allows the parent and student one week to do "what is necessary" to achieve a passing grade in all subjects.
- D. A conference will be held with all students to discuss their warning status. A written notice is sent home and must be signed by the parents and returned the following day to the administrative assistant.
- E. Students may fully participate in any activity during the warning week.
- F. When a student becomes ineligible, the focus of his/her time should be on improving the failing grade(s). Students will not be allowed to be present at or participate in their team's practice, games and/or tournaments. Reasonable attempts will be made to notify parents by phone and in writing if a student is declared ineligible.
- G. AN INELIGIBILITY BECOMES EFFECTIVE WEDNESDAY MORNING AND LASTS THROUGH MIDNIGHT TUESDAY OF THE FOLLOWING WEEK.

ELIGIBILITY: BEHAVIOR

- A. Students must remain at or below 15 demerits to participate.
- B. If a student is ineligible due to demerits, refer to the Student Handbook where "DEMERIT REMOVAL" is addressed.

ELIGIBILITY PERIOD

Begins each WEDNESDAY morning and ends the following TUESDAY at midnight. The eligibility periods cover school-scheduled vacations. Parents and students should maintain current academic and behavior information so as to avoid extended ineligibility periods over scheduled vacations.

ELIGIBILITY: SCHOOL ATTENDANCE

- A. Students must be in attendance at school the entire day in order to participate in any athletic activity that day.
- B. If a student is absent due to vacation, illness, suspension, or any other inexcusable reason, he/she will be ineligible to participate in any athletic activity that day.
- C. Students who do not participate fully in Physical Education class will not be eligible to participate in any athletic activity that day.

FEEES

Each student participating pays a nonrefundable fee to help defray costs of replacing worn out uniforms, entry fees for various leagues, costs for officials' stipends and equipment. If the requested participation fee causes a financial problem to you, please inform the principal with a written note.

Fees per student per sport: \$35.00 (Football fee is set by the Boylan Jr. Titan program)

*Family receives an admission pass for all home, non-tournament league games.

GAMES AND TOURNAMENTS

- A. Games and tournaments, in addition to those scheduled by the parochial league, are scheduled only by the Athletic Director.
- B. No game or tournament should be scheduled before 1:30 on Sunday.

- B. Holy Family Parish/School will not be responsible for any expenses incurred because of injuries a student might sustain while participating in practices, games, or related activities.

PARENT INVOLVEMENT

- A. Parents are required to participate equally with other team parents in the program. This would include helping

score, keeping official book, working concessions and collecting gate money.

- B. Parents will be assigned duties for all home games; if unable to work an assignment, trade with another parent for a different game.
- C. The team parent helps the coach coordinate parent involvement for their team.
- D. An appropriate number of game suspensions will result when parents/guardians fail to comply with volunteer assignments.

PHYSICAL EXAMINATIONS

- A. All students participating in athletics are expected to be in good health and must submit a copy of examination, LESS THAN ONE YEAR OLD, from a doctor.

Fifth grade school physicals are acceptable for athletics as long as the sports participation question is addressed.
- B. A sports physical must be on file in the school office prior to the first game, practice, or tournament in order for a student to be eligible to participate in any athletic activity. A copy of a current physical must be on file in school before team placement is made.
- C. Parents are responsible to notify the coach if any changes occur in an athlete's physical condition. The coach will then inform the Athletic Director.

RECRUITMENT

Recruiting of students/players from other schools and parishes is not allowed.

RELIGIOUS EDUCATION (CCD)

This section does not apply to Holy Family School students.

Eligibility Requirements (CCD)

- A. A student must attend the parish school or be an active participant in the Parish Religious Education program. Active participation entails 80% attendance in Religious Education programs, as well as appropriate behavior during classes as determined by the Director of Religious Education and the teachers. Class participation is also necessary on the part of the participant during all classes. In addition, Religious Education students must meet all of the above criteria in order to be eligible for participation for the new school year and must be **registered by August 31**.
- B. A student must be registered and have met the academic/conduct requirements in religious education for one full year before being eligible to register for athletics.
- C. Students must attend 80% of classes throughout the year. Any student who enrolls in Religious Education classes solely for the purpose of participating in a sport, and drops out at the conclusion of that sport, shall not be able to participate in that activity the following year.
- D. Weekly assessment of each student involved in athletics will take place each Thursday. The students will have to fulfill the following requirements:
 - 1. Attendance for total class time
 - 2. Appropriate behavior for each class
 - 3. Class participation is essential in order to maintain a positive and healthy classroom atmosphere.
 - 4. A weekly eligibility sheet signed by each classroom teacher, including Religious Education Teacher, stating that they are passing class for the week. This form must be given to the child's coach weekly, then forwarded to the Athletic Director.
- E. If a student involved in athletics is not willing to comply with the above requirements, they will become ineligible for athletic activities for that week. A warning week will be given to any students if behavior/participation during classes is inappropriate as deemed by the Director of Religious Education.
- F. Coaches and parents will be notified by the Parish Athletic Director if a student becomes ineligible from athletic events for the week.
- G. All Religious Education students will be required to sign a letter indicating that both parents and students have read the requirements and are willing to abide by these rules throughout the year.
- H. ***Religious Education students may not be listed on/play for both a Holy Family parish team and their school team. Students are expected to choose one team and commit their loyalty to that team.***

SCHEDULES, PRACTICE AND GAME

- A. Coaches for each team will distribute team practice schedules.
- B. Game schedules are distributed by the Athletic Director.

- C. Parents drop off and pick up their children on time from practices and games.
- D. Coaches and athletes will be notified of any changes in game/practice schedules through the Athletic Director.
- E. Coaches do not schedule any additional games/tournaments without first receiving approval from the athletic director/principal.

SIGNUP

Sport sign up dates are published on the school calendar and in the church bulletin.

Parents should review with their child(ren) what commitment to a sport means...that others rely on them being present for practice and games.

The signup fee is non-refundable. This helps us determine the sincerity of commitment to a sport as decisions are made impacting the number of students placed on teams which, in turn, impacts playing time of team members.

SPECTATOR SPORTSMANSHIP

- A. Holy Family Parish encourages and expects all spectators to observe and to demonstrate good sportsmanship at all times, whether at a home or away game.
- B. Unsportsmanlike conduct (coaching from the stands, disagreeing with an official's call, "booing", seeking preferential treatment for one's child, etc.) has absolutely no place in the kind of environment desired at all athletic events in which HFCS participate.
- C. A spectator may be asked to leave the athletic contest by the Athletic Director or designee/Coach and/or referee if the unsportsmanlike conduct is present.

SUPERVISION OF CHILDREN, PARENTAL

Children, both preschool and school age who are not directly participating in an activity, should be under the direct supervision of an adult whenever attending any parish function, including after school activities such as athletics.

Direct supervision means that the parent can see and speak to the child at all times.

SUPPLIES AND EQUIPMENT, PURCHASING

A parish PURCHASE ORDER system exists and is to be used. All requests for supplies and equipment must be made through the athletic director who, in turn, will arrange for the ordering/purchasing of items through the school office.

TEAM SELECTION

- A. Teams will be player skill balanced as equally and fairly as possible so that all teams have similar abilities and talents.
- B. Special requests for students to be placed on a specific team are not honored. Students who are siblings will be placed on the same team.
- C. Once team rosters are posted they are not changed.

- D. Players must be rostered one complete year at the 7th grade level in order to be eligible for placement on a varsity team.

- A. Number of games: refer to Diocesan policy Article VII, Section IV (yellow pages 4-5).

- C. Practices may not begin before the last Saturday in October and must terminate with the end-of-year tournament.
- D. Practices may not exceed 1 1/2 hours in length.
- E. Practices and/or games may not exceed 4 a week, with a maximum of 2 school nights (Monday - Thursday).

HEAD COACH/ASSISTANT COACH
ROLE DESCRIPTION

At the beginning of the school year, it will be the responsibility of the athletic department to submit a questionnaire to all students and parents grades 5-8. This questionnaire will indicate the following items:

- Students' participation interest
- Parents' willingness to coach
- Parents' participation interest (team parent).

If at all possible, the Athletic Advisory Commission will recommend qualified persons to assume the head coaches' positions for all sports at all levels of play. It is our goal to have non-parents coach JV and Varsity teams.

In the case that a parent is coaching his/her own child, we ask that partiality not be shown toward that child. The parent coach should not expect more from his/her child than others on the team. The Athletic Director or Principal will see that all coaches are informed of the potential problems that may arise.

The head coach may hold a head coach's position for no more than two years. Exceptions may be made based on the availability of qualified volunteer coaches.

In order to allow the coach to utilize his/her volunteer time efficiently, each head coach will develop a staff as follows:

Assistant Coach(es): Assist the head coach in all team activities and be responsible for the team activities in his absence.

Team Parent: Assist the coach in organizational activities and be responsible for their implementation.
